Silver Skye is a family business specialising in all forms of Chauffeur and Driving Services including fully escorted and driven tours.

Tell us your requirements and we'll be happy to supply a fully customised quotation for your consideration.

If you have a Family Wedding looming large on the horizon, give us a call to discuss your requirements. As we too are organising a family wedding in May 2010, you can be assured of a sympathetic ear. We know what you're going through trying to plan the big Event !

Whether you are with us for an hour or a couple of weeks, our Drivers will adopt the same professional standards doing everything in their power to make your time with Silver Skye as enjoyable as possible.

On Tours, we recommend a non-stop driving time between overnight stops of no more than three hours. We believe this allows greatest flexibility for you to enjoy the sites of the Scotland and Ireland as your Tour progresses. However, our core service is tailoring Itineraries to "your" requirements and, if you want to do more each day, then we're more than happy to work with you to build your own customised Itinerary.

Its your Tour. We need you to tell us what you want, and what you don't want !
